

# Notice to City of Cape May Water Customers...

All water mains serving the City of Cape May will be “flushed” to remove build up of rust and sediment in the pipes, thereby improving water quality, from Monday, Oct 22 through Thursday, Nov 8, 2018 from 7:30a.m. to 4p.m. as shown below.

**While flushing does not cut off the supply of water, it does “stir up” rust.**

**Customers should draw water for essential use before flushing time & do no laundry during the day of scheduled flushing in your area.**

# 2018 Water Main Flushing Schedule
