NEW BUSINESS:

FRIGO.................................................................................................................106 FIRST AVENUE
ACCESSORY SHED STRUCTURE, BLK 1015/LOT 4.01 (CONTRIBUTING)

Property owners, Pat and Ed Frigo accompanied Pamela Fine, Project Architect. Ms. Fine presented the application for a new detached garage to replace a dilapidated garage which will be demolished to make way for the new garage. The required points one through nine criteria for the demolition were reviewed for this structure within the historic district.

Motion made by Mr. Carroll to grant demolition approval. Seconded by Mr. Testa and carried 8-0. Those in favor: Mr. Clemans, Mr. Cogswell, Mr. Testa, Mrs. Stridick, Mrs. Ryan, Mr. Cataldo, Mr. Carroll, Mr. Coupland. Those opposed: None. Those abstaining: None.

Architect Fine then presented the plans for an onsite single car garage to give extra storage for eventual year round living for the owners at the property. The materials list was presented including exterior cedar shingles, cedar wood trim on windows and corner boards, cedar wood fascia and soffits, Andersen 400 Woodright windows comprising a mixture of double hung and awning windows, GAF asphalt shingle roofing, and a decorative cupola with awning windows.

Members of the commission made positive comments on the application and suggested wooden working shutters, and it was agreed by the applicant to provide cut sheets for the shutters for HPC approval.

Motion made by Mr. Carroll to grant approval with Andersen 400 Series windows and working or working-width wood shutters. Seconded by Mr. Clemans and carried 8-0. Those in favor: Mr. Clemans, Mr. Cogswell, Mr. Testa, Mrs. Stridick, Mrs. Ryan, Mr. Cataldo, Mr. Carroll, Mr. Coupland. Those opposed: None. Those abstaining: None.

HEITMAN.............................................................................................................1145 LAFAYETTE STREET
WINDOWS/DOOR/TRIM, BLK 1061/LOT 7.02 (NON-CONTRIBUTING)

Pamela Fine, Project Architect presented this application which has not many changes to the front with the right and left sides to have minor changes to window sizes or locations and the majority of the changes proposed in the rear including new doors and windows to enhance the water view. A list of materials was presented including: vinyl siding, Azek trim, and Andersen 400 series windows.

Members of the commission expressed their concern with balance, the safety of vinyl siding and their preference for the flat side of Azek.

Motion made by Mr. Carroll to grant approval as presented, passing on the advice of the commission to the architect to carry onto the client. Seconded by Mr. Clemans and carried 8-0. Those in favor: Mr. Clemans, Mr. Cogswell, Mr. Testa, Mrs. Stridick, Mr. Carroll, Mr. Coupland, Mr. Cataldo and Mrs. Ryan. Those opposed: None. Those abstaining: None.

Discussion was open to the public at 6:57 PM and closed with no one coming forward.
DISCUSSION:

Chairperson Coupland suggested the HPC ask applicants for cut sheets of the current construction of the window(s). Mr. Coupland distributed a handout to the members of major manufacturers that meet the commission’s standards for windows and interior storm windows.

Discussion amongst commission membership was undertaken regarding the fonts in the Design Standards and to ask applicants to give a cut sheet that resembles one of the fonts in the Design Standards.

Zack Mullock exited the meeting at 7:15 PM.

The relationship, with the Construction Official, was described as improved and interaction as helpful. Mr. Fineberg explained that it is up to the Construction Official to enforce anything that is not done according to a Certificate of Acceptance. The Construction Official would present a complaint to the city for enforcement.

Member discussion ensued regarding construction drawings being checked against the HPC resolutions. There are a lot of inspections being done, and there are non-compliance items not being caught by the inspectors.

Mr. Fineberg advised that individual citizens, but not as a group, can approach the Construction Office with inconsistencies they observe versus what was approved.

Motion to adjourn the meeting was made by Mr. Cogswell at 7:34 PM, with all in favor.

A verbatim recording of said meeting is on file at the Construction/Zoning Office.
