

2021 Spring Water Main Flushing Schedule

May 10 - May 26

Notice to City of Cape May Water Customers...

All water mains serving the City of Cape May will be “flushed” to remove build up of rust and sediment in the pipes, thereby improving water quality, between Monday, May 10 & Wednesday, May 26, 2021, 7a.m. to 4p.m. as shown.

While flushing does not cut off the supply of water, it does “stir up” rust. Customers should draw water for essential use before flushing in your area.

*Please don't do laundry on your scheduled flushing dates.
Thank you for your Cooperation.
